

Automatic Multifunctional Soft And Hard Biscuit Production Line High Efficiency

Specifications :

Payment Terms	L/C T/T Western Union
---------------	-----------------------

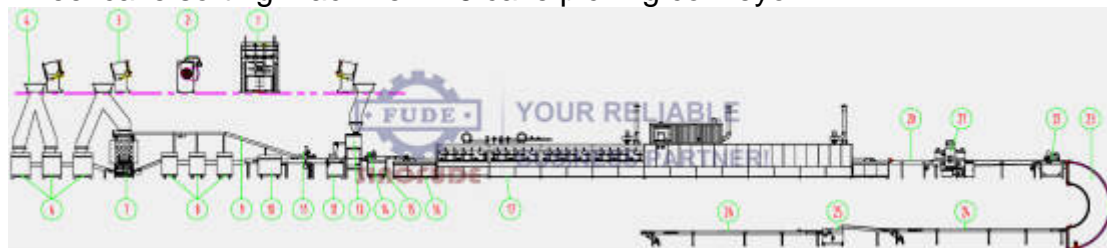

Detail Introduction :

Automatic Multifunctional Biscuit Production Line

1. Multifunctional biscuit production line

Can produce various types of crisp biscuits, tough biscuits, three-color (sandwich) biscuits, etc.
Machine configuration:

1. Vertical kneading machine ? 2 horizontal kneading machine ? 3 dumping machine ? 4 falling hopper ? 5 dough conveyor ? 6 feeding machine ? 7 laminator ? 8 rolling machine ? 9 remaining material recovery machine ? 10 Roll cutting machine ? 11 separator ? 12 roll printing machine ? 13 crisp powder blanking machine ? 14 spreader ? 15 furnace machine ? 16 mesh belt drive machine ? 17 mixed oven (direct-fired oven + hot air Convection circulation oven) ? 20 out of the oven ? 21 fuel injection machine ? 22 vibration spreader ? 23 turning machine ? 24 cooling conveyor ? 25 star wheel cake sorting machine ? 26 cake picking conveyor

2. Automatic Hard biscuit production line

Can produce various types of hard biscuits such as cracker, soda biscuit, etc.
Machine configuration:

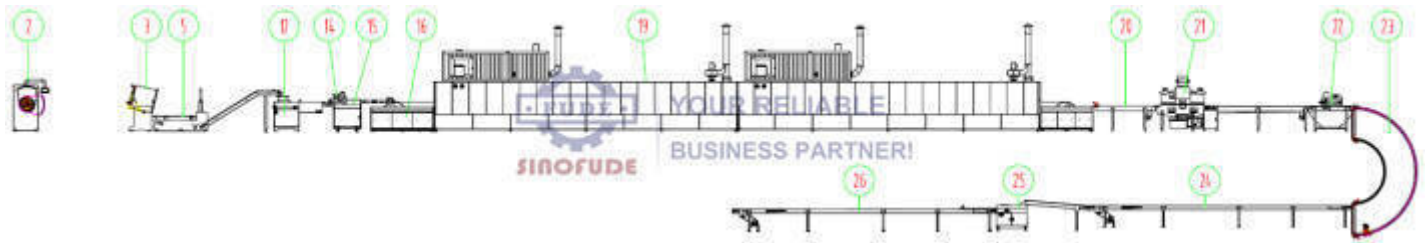

1. Vertical kneading machine ? 2 horizontal kneading machine ? 3 dumping machine ? 5 dough conveyor ? 7 laminator ? 8 rolling machine ? 9 residual material recovery machine ? 10 rolling cutter ? 11 separator ? 14 Spreader ? 15 furnace machine ? 16 mesh belt drive machine ? 18 electric oven ? 20 furnace machine ? 21 fuel injection machine ? 22 vibrating feeder ? 23 turning machine ? 24 cooling conveyor ? 25 star wheel Cake machine ? 26 cake picking conveyor

3. Automatic soft biscuit production line

Can produce various types of soft biscuits, like Marie Biscuit, Glucose Biscuit etc..
Machine configuration:

2 horizontal dough mixer ? 3 dumper ? 5 dough conveyor ? 12 roll printing machine ? 14 spreader ? 15 furnace machine ? 16 mesh belt drive machine ? 18 hot air convection circulating oven ? 20 discharge machine ? 21 Fuel injection machine ? 22 vibrating spreader ? 23 turning machine ? 24 cooling conveyor ? 25 star wheel cake sorting machine ? 26 cake picking conveyor
